

# How I spent my Summer Vacation

By Gov. Chris Christie

# Not all tax breaks are created equal: Millionaires vs. Job-Creating TV productions.

July 1 – Signed state budget eliminating \$10 million tax credit for TV/film production. “Law and Order: SVU” announces it’s leaving for New York and taking \$55 million with them.

CSI was better, anyway.

**God Save the Queen... especially if she needs access to healthcare in NJ...**

July 6 -- Hung out with the Queen of England.

**Governor Christie, you just kicked 13,000 people off FamilyCare. What are you going to do now?**

July 9 -- Attended National Governors' Sleep-Away Camp in Boston.

# Greetings from the Jersey Shore.

July 25 -- Challenged Snooki and the Situation to a fist-pumping competition at Bar A in Belmar.

**So much for transparency in government.**

July 22 – Raised funds for Reform Jersey Now  
...err... raised funds for Senate Republicans.

July 23 – Vetoed bill providing access to health care for 136,000 men and women who rely on family planning or women's health centers around New Jersey.
